Welcome…

Tonight we celebrate our 2018 Hidden Heroes and Sheroes. This annual celebration has recognized more than 140 people doing exceptional work to improve the Codman Square and Four Corners communities. These hidden heroes and sheroes give us hope and inspiration and tonight is our opportunity to learn more about them and share our gratitude and appreciation for their efforts.

This celebration also raises funds for two $1,500 scholarships to be awarded to the two high school senior awardees. This tradition began over 20 years ago by Rev. Dr. Bill Loesch. We are honoring the late Rev. Dr. Bill Loesch for his invaluable legacy by establishing the Rev. Dr. Bill Loesch Scholarship Fund, which will fund the two educational youth scholarships of $1,500 and other scholarship opportunities.

If you wish to nominate a person or group for November 2019, please submit a nomination form. Applications are received all year long and selections are made by the end of summer.

Let's celebrate!
Each year, there are many nominations for the Hidden Heroes and Sheroes award. To be considered, the candidate must demonstrate success in one of the following areas:

Janice Galloway
Neighborhood Leadership Award

Janice was born in Level Piece, St. John’s, in the Caribbean island of Montserrat and migrated to Boston in 1979. She first learned that she could be a mover and shaker at Greenwood United Methodist Church where she learned how to work collaboratively with others, and motivate youth. She was involved in fundraising and a range of other activities in the church. She experienced group spirit as the United Methodist Women (UMW) invited her to roller-skating, or to the movies, and even into the kitchen to whip up meals to feed the congregation.

Janice joined the Aspirers Club in 1994 and over the years, she has filled many roles in the organization including serving as Secretary, Vice President, and being elected as the first female President in 2009. She has been instrumental in member recruitment, planning a successful boat-ride, assisting with the tutorial program, fundraising and shipping equipment for the hospital and Seniors Home in Montserrat. She also supports other Montserrat and Caribbean Associations in Boston, New York, Miami, and Toronto.

On September 18, 2018 Janice celebrated 18 years of working at Akamai Technologies, Inc. and has become a well-known staple in the Network Operations Command Center (NOCC). She has gone from the only woman in the room to shift manager in the headquarters of the Kendall Square location.

Janice works to connect with other cultures such as the Irish International Immigrant Center (IIIC) as a Co-chair of the Cross-Cultural Committee and as a member of the Board. She also serves as secretary of the membership Committee and Trustees Board at Parkway United Methodist Church and Vice President of the Metro Boston Hope District United Methodist Women.

Janice’s upbringing instilled the need to give back and she is continually working to improve her neighborhood, and seeking opportunities to help and support Montserratians worldwide. Her leisure activities include reading, dancing, and international travel.
Caltor McLean
Neighborhood Leadership Award

Caltor McLean was born in Boston and is married with five children and four grandchildren. He attended Boston University and studied computer science in 1986 which led to a career of more than 20 years in the computer industry. He is also an independent business owner and commercial real estate owner.

He survived the greatest financial collapse during our time in 2008. While other businesses were closing or going out of business, Caltor adjusted to the economy and made prudent financial decisions, which sustained his businesses during these incredible financial and stressful years.

Caltor has been doing business in the Dorchester community for over twenty years, owning Emz Rainbow Laundromat, LLC and Emz Pizza and Ice Cream, LLC (d.b.a. Cornerstone Pizza Café). He also owns the commercial property of 3 -11 Bowdoin Street and 352 Washington Street (known as Cornerstone Lot). He is one of the longest lasting businesses in the Greater Four Corners area. He currently serves on the board of the Four Corners Main Street.

Caltor has a passion for advocating and fighting for the children born at a disadvantage and families in need. He serves his community with great humility and compassion and often feeds families in the neighborhood that would have gone without food. Caltor hopes to foster a business environment in which businesses are thriving and not simply surviving in the Four Corners community.

“Congratulations to all of the winners of the Codman Square Neighborhood Council’s 2018 ‘Hidden Heroes and Sheroes’ Awards. Thank you for your continued efforts in helping to make our communities safer, healthier and more vibrant for everyone.”

Sheriff Steven W. Tompkins
Suffolk County Sheriff’s Department
Mayor Martin J. Walsh

Thank You
2018
Hidden Heroes & Sheroes
Your dedication to our Community is evident and very much appreciated.

Daryl Goldston
Civic Leadership Award

Daryl Goldston is a Dorchester native and one of the founders of the Point Event Committee, a nonprofit organization that has helped young adults with the high cost of going to college or trade school for the past nine years. Daryl is originally from the Columbia Point community and has resided in Dorchester for over 50 years. Daryl has committed himself to working with the leadership of Dorchester to bring positive change to families in the community. As a member of the Codman Square Neighborhood Council for the last eight years, Daryl has sat on a number of advisory boards, including the Boston Alliance for Community Health (BACH), which is a city wide organization that deals with data driven determinants of health and health disparities based on race. As a representative for Codman Square, Daryl has had the privilege to complete the Leaders in Health certificate program at Harvard University. Over the last few years, Daryl has been invited to Harvard to speak about his work associated with the Boston Public Health Commission, particularly the smoke-free housing campaign. Daryl is always the first to speak up at a community meeting encouraging developers to build smoke-free housing and families to convert their homes to smoke-free. After completing courses at BACH, Daryl was selected by the Boston Public Health Commission to serve as a Healthy Community Champion. Since that time, Daryl has worked on a number of outreach projects, including smoke-free housing lease sign up, several annual community cookouts, Night at the Point reunions, Healthy on the Block, Love Your Block, and the Second Church food bank.
Vanessa Thorne
Civic Leadership Award

Vanessa Thorne serves as the volunteer Food Service Coordinator at Second Church in Dorchester. She has volunteered and organized food services since 2015 supported by Dr. Pastor Victor Price, the Enrichment Center at Second Church, New England Sarua, and numerous dedicated volunteers.

Vanessa helps to address food insecurities in the community by assisting in salvaging thousands of pounds of food donated through Lovin’ Spoonfuls. Vanessa also assists the Parkside Christian Academy and other schools, the Codman Square Library, Rounding the Bases, Inc. in partnership with the City of Boston’s Retired Senior Volunteer Program, and other programs in Codman Square. Vanessa has distributed food, care packages, turkey dinners, Christmas dinners, backpacks, jackets and clothing at local events and to families in need.

Vanessa is a long-time resident of Boston and is married to Euri Thorne who has been renovating their church’s home for three years. Vanessa has a nine-year-old daughter Aniyah Thorne who is already learning giving back is very important at her age. Aniyah assists in passing out food and has a huge heart for her community. Vanessa has been a member of Second Church Dorchester for over ten years.
Congratulations to each of the 2018 awardees!

Andrea Campbell
Millennium Award

Andrea Joy Campbell was first elected as the District 4 Boston City Councilor on November 3rd, 2015, representing primarily the neighborhoods of Dorchester and Mattapan, as well as parts of Roslindale and Jamaica Plain. On January 1st, 2018, at the start of her second term, Councilor Campbell was unanimously elected Boston City Council President by her colleagues. She is the first African-American woman to serve in this role.

Born and raised in Boston, and educated in all Boston Public Schools, Councilor Campbell went on to graduate from Princeton University and UCLA Law School. She began her career at a non-profit in Roxbury, providing free legal services to students and their parents on education matters. She has worked as legal counsel in both the public and private sectors, and before embarking on her run for City Council, served as deputy legal counsel for Governor Deval Patrick.

Councilor Campbell began her first term by chairing and expanding the Council’s Committee on Public Safety to include Criminal Justice in an effort to bring important conversations around re-entry services for returning citizens, solitary confinement, and the school-to-prison pipeline, to the Council. As one of the lead sponsors of the Community Preservation Act, she led the effort for its successful passage in 2016, which will generate millions of dollars annually for affordable housing, historic preservation, and open space in the City of Boston. In 2017, she secured the first-ever dedicated line item in the City's budget to specifically fund youth development programming and youth serving organizations. Councilor Campbell continues to focus on issues of public safety and criminal justice, affordable housing, and racial equity initiatives. Councilor Campbell lives in Mattapan with her husband, Matthew, and their son, Alexander.
Amani Boston
Youth Award

Amani Boston is a Dorchester native who resides in Four Corners. She has a 4.1 GPA and will be graduating from Cathedral High School in May 2019. She is enrolled in honor and advanced placement classes and is not only an exceptional student but she is also active with the Cathedral Panthers basketball team and helped lead them to two MIAA state championships. She is an all-star for basketball and track and field for the Catholic Conference.

When she is not studying or playing sports she volunteers as a coach and referee for the co-ed South End Youth Basketball League. She is an assistant coach for the Merritt Attention Basketball Association fourth grade team, a program that mainly serves Dorchester, Roxbury and Mattapan boys. Amani also volunteers and assists with organizing the Boston Showstoppers free basketball clinics for inner city girls. Additionally, she works with Mobil Stu, a non-profit organization that builds relationships between the police and inner city youth through music. Amani and her father volunteer serving the homeless food and she also assists her mother with organizing coat drives for the homeless. One of Amani’s proudest moments is when she organized and led the televised student protest at her school. The protest led to the school hiring more teachers and addressing the lack of teacher diversity; adding more SAT prep classes and electives; improving lunches; etc. Amani wants to study business and eventually attend law school.

Shiylin Williams
Youth Award

Shiylin, better known as Shy, was born and raised in Dorchester and is a senior at Beaver Country Day School. She is the middle child of five and enjoys sports, music and community service. Shy is very active in her neighborhood. She volunteers at the Dorchester YMCA where she tutors middle school youth, assists in serving food to teens and assists with a variety of administrative tasks. She has volunteered at the YMCA over the past three years and is always willing to lend a helping hand to others. Shy even traveled to Houston Texas to help Hurricane Harvey victims rebuild their homes.

Shy manages are academic work, community work and she works part time at Star Market and Target. She plans to study sociology and political science. Shy is honored to receive the youth award and scholarship and is grateful to all who make this scholarship possible.
